

# The COOLER RANGE

## COMPRESSOR TECHNOLOGY

### PERFORMANCE

Down to  $-20^{\circ}$

### HIGH CAPACITY

50L format ideal for  
2L bottles

### PRACTICAL

Drain plug and LCD  
screen

### ROBUST

Quality material and  
reinforcements

EZA compression coolers have the same refrigerating and freezing properties as domestic refrigerators, but in a smaller, more portable format!

They're capable of efficiently preserving your food down to  $-20^{\circ}\text{C}$ , regardless of the outside temperature. Choose your connection: a 12/24 V DC cigarette-lighter socket, or a 230 V socket (adapter sold separately), and control the temperature of your cooler using the intuitive LCD interface.

### PERFORMANCE

With a temperature range of  $-20^{\circ}\text{C}$  to  $+20^{\circ}\text{C}$ , you can be sure that your food and drinks will stay fresh at all times. Thanks to its large compartment, you can store 1L, 1.5L or 2L bottles in the 50L version.

### COMMUNICATION

This cooler features an LCD Touchscreen for easy control and monitoring of temperature and battery status. It features a handy USB socket for charging all your devices: phones, tablets and smartphones.
